LETTER REGARDING PATENT TERM ADJUSTMENT

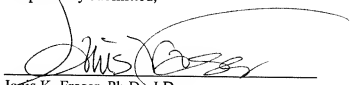

The Patent Term Adjustment (PTA) calculation included in the Issue Notification mailed March 31, 2010, for the above-referenced application indicates the PTA is 536 days. This PTA appears to be longer than appropriate.

In good faith and candor, Patentees direct the Office's attention to a Request for Corrected Filing Receipt filed in November 2009, for which no Applicant Delay was assessed.

Patentees believe that no fee is due at this time. Any fees that may be due, however, may be applied to Deposit Account No. 06-1050.

Respectfully submitted,

Date: Jun 7, 2010
